

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office
FLOOR DEBATE

February 26, 2004 LB 821, 836

PRESIDENT HEINEMAN: Thank you, Senator Quandahl. Further discussion on the bill? Seeing none, the Chair recognizes...or, pardon me, Senator Chambers.

SENATOR CHAMBERS: Mr. President, members of the Legislature, I think what Senator Quandahl said borders on blasphemy. Heaven is the place that flows with milk and honey. But for those who may not know it, milk and honey, in some people, constitutes a laxative. So I would say Nebraska, indeed, is the land of milk and honey, and sometimes the Legislature is the best example of it. Thank you, Mr. President. (Laughter)

PRESIDENT HEINEMAN: Thank you, Senator Chambers. Further discussion? Seeing none, the Chair recognizes Senator Kremer to close.

SENATOR KREMER: I cannot add to that. Please vote for the bill. Thank you.

PRESIDENT HEINEMAN: Thank you, Senator Chambers. The question...or, Senator Kremer, I'm sorry. The question is on the advancement of LB 836 to E & R Initial. All those in favor please vote aye; those opposed vote nay. Please record, Mr. Clerk.

ASSISTANT CLERK: 30 ayes, 0 nays on the motion to advance the bill, Mr. President.

PRESIDENT HEINEMAN: Bill is advanced. Next item, please.

ASSISTANT CLERK: Mr. President, LB 821 was offered by Senator Schimek. (Read title.) The bill was read for the first time on January 7 of this year, referred to the Government Committee. That committee reports the bill to General File with no committee amendments.

SENATOR CUDABACK PRESIDING

SENATOR CUDABACK: Senator Schimek, you're recognized to open on LB 821.
